EXPERIENCE

Field

Full-stack Developer

August '22 - Current

I work as a Junior Full Stack Developer in front-end and back-end development.

My work involved utilizing various tools such as React-Native, Firebase, Chakra UI, React, Node, and TypeScript.

I collaborate with the UX/UI team and engaged in discussions about Quality Assurance, Project Management Basics, Git workflow, and work organization methods to deliver high-quality products

EDUCATION

Ironhack Lisbon

Full-stack Web Development

April '22 - June '22

9-week intensive web development Bootcamp based on MERN Stack.

LANGUAGES

- English
- Portuguese
